Rest in Peace, Ma'am

Following the sad news of the demise of Her Majesty Queen Elizabeth II, and the accession of His Majesty King Charles III to the throne, business of the House of Commons was paused for 10 days of national mourning. During this period of mourning, I was honoured to represent Bristol North West in the House of Commons on Friday 9th September for tributes to Queen Elizabeth's reign. On Sunday 11th September, I attended the official proclamation of King Charles III in Bristol and have signed the city's book of condolences to the Royal Family.

On Monday 12th September, I returned to Parliament to hear an address from King Charles III to both Houses of Parliament in Westminster Hall and, later that week, paid final respects to Queen Elizabeth II on the first day of the late Queen's Lying-in-State. I did so both as a private citizen and on your behalf as your Member of Parliament.

Parliament then observed a period of mourning before the State Funeral on **Monday 19th September**, which has been granted bank holiday status. Parliament will then resume shortly after the State

Funeral. The formal coronation of King Charles III will take place at a later date yet to be confirmed.

Lastly, as remember the late Queen's 70-year reign, we remember her many visits across the nation and around the world, which touched millions of people across generations. From Her late Majesty's first visit to Australia

in 1954 to her many visits to Bristol, including to Avonmouth as part of the opening of the Royal Portbury dock in 1977, members of my own family – both here in England and in Australia – lined the streets waving union flags to welcome her.

Queen Elizabeth II was not only our **Head of State** and **Commander-in-Chief**, but also a mother, a grandmother and a great-grandmother. My thoughts

and prayers, and those of my family, are with The Royal Family at this difficult time. We now enter a new era in Britain – from the second Elizabethan age to the third Carolean age. God save the King!

GET READY FOR BRISTOL'S CLEAN AIR ZONE

Bristol City Council will be introducing a Clean Air Zone on Monday 28 November 2022 to reduce harmful pollution from vehicles. Poor air quality has a major impact on the health of everyone in the city and the Clean Air Zone will help us tackle this issue and meet government targets for cleaner air in 2023. The zone is in the central area where air quality is poorest. No vehicles will be banned from driving in the zone, but older and more polluting vehicles will have to pay a daily charge to drive in the zone.

71 per cent of vehicles already meet the zone's emission standards. The council is offering financial support and advice to help people upgrade their vehicles or switch to a cleaner way of travelling.

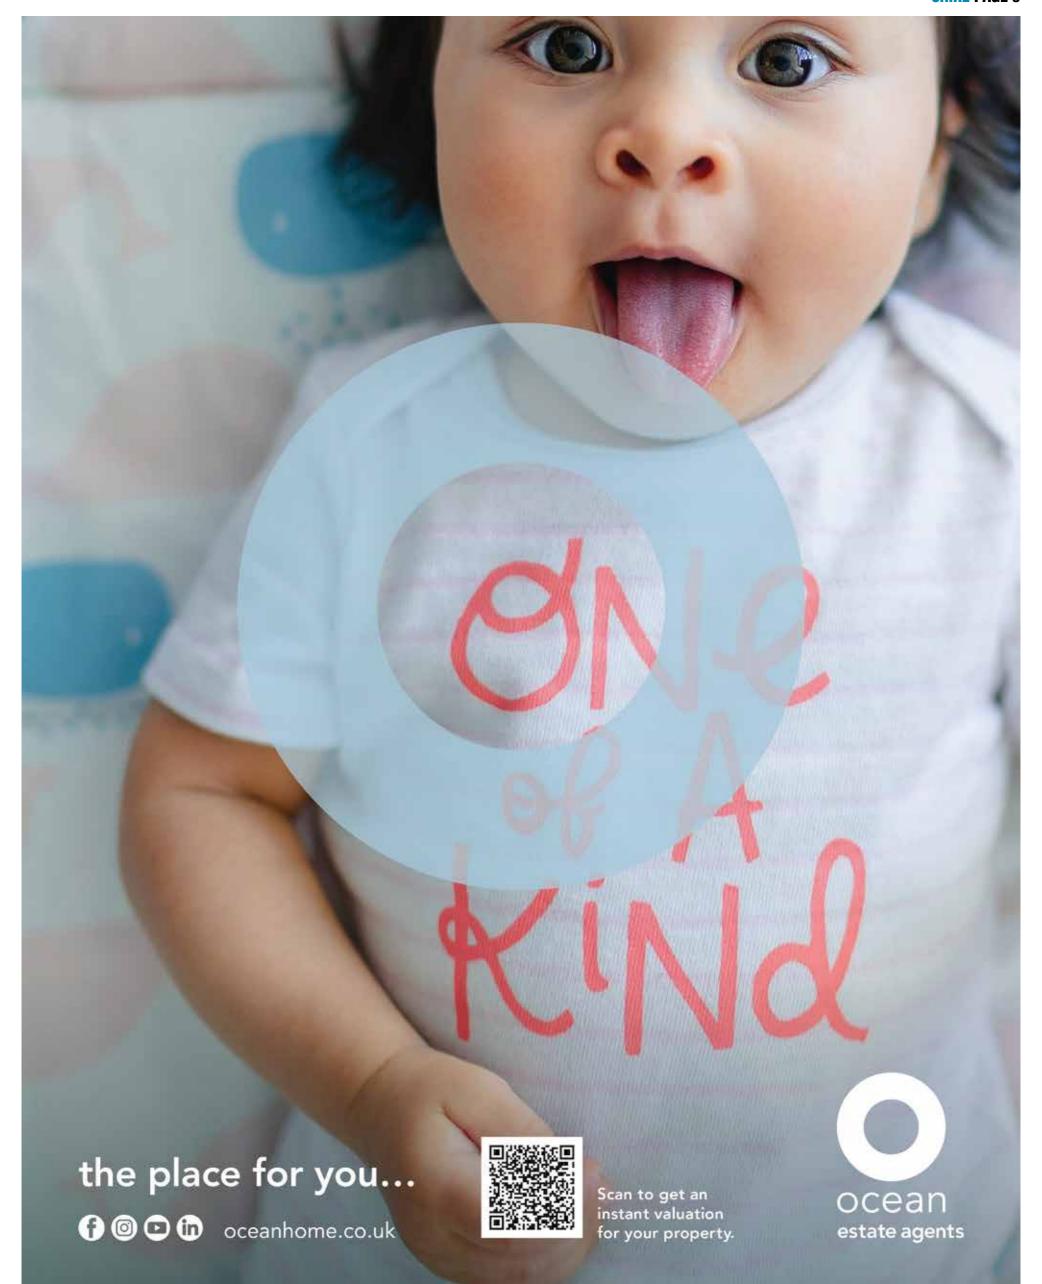

How to Prepare for the Clean Air Zone

Get ready for Bristol's Clean Air Zone by following our three easy steps:

- go to the government's clean air zone pages to check if your vehicle will be charged
- check our interactive map to see how the zone affects you
- find out if you are eligible for financial support or an exemption on our website

Reducing air pollution is everyone's responsibility so please consider how you travel. Most people can travel into and around the city centre without using a car at all. Visit the active travel pages on Travelwest to see how we can support you to take more journeys by public transport, cycling and walking.

If you want to find out more about the Clean Air Zone visit our website (www.bristol.gov. uk) or email CAZSupport@bristol.gov.uk

Painting Poppies Sessions

Returns

Every year Painting Poppies Sessions make a return to enable the community to be part of the 'Poppies On The Green' by adding even more painted plastic poppies to the display.

This poppy display is placed on **The Green** in Shirehampton for 7 to 10 days during **November**, dependant on when **Remembrance Sunday** occurs. The **11th November is Armistice Day**, when the agreement of peace was signed by the allies and Germany in Campiègne, France, marking the end of WWI. Remembrance Sunday also encompasses WWII and subsequent conflicts since then to remember the armed forces members who lost their lives in the line of duty.

Each year the display grows with poppies of red and purple - the latter remembering the animals that took part in conflicts - displayed around the trees, across the grass, included in poppy wreaths and showcasing our two silhouette soldiers **Reg and Les** who lived in Shirehampton. They represent World War I and World War II.

From children to octogenarians, each paint the plastic poppies with great care and excited that 'their poppies' form part of the display.

Painting Poppies sessions are taking place at the High Street Market on Thursday 6th October, Autumn Community Fayre on Saturday 15th October, the Craft Exhibition at the Public Hall at the end of October - date to be confirmed

- and the High Street Market on Thursday 3rd November.

The display will be put up on The Green the following week and volunteers are needed to help with this. If you can volunteer, please email: poppiesonthegreen@gmail.com For updates please go to: www.facebook.com/poppiesonthegreen and you can also check out the notice boards on the High Street.

NOISE POLLUTION

Dear Editor.

I would like to draw attention to the horrendously loud music on Bank Holiday Monday that we had to endure all afternoon from the Shirehampton Workman's Club new carpark seating area. We did phone to ask them to turn it down but were told they couldn't. We couldn't sit in the garden with visiting family, or inside the house with windows closed, as it was still too loud. We also now have to put up with piped music played into the carpark area at various times of the day and evening, when at times, no one is even sitting there. I know of no other club or pub that feels this is necessary. The total disregard for the local community is disappointing with many other local residents echoing this concern.

Shirehampton Markets Celebrate Their 3rd Birthday

The High Street Market was the place to be on September 1st where they celebrated Shirehampton Market's 3rd Birthday. The market was busy with plenty of market stalls to choose from as well as a choice of Jamaican and Sri Lankan hot food to eat in or take-away. The Market Kitchen served 'cream teas' including fruit scones as well as a selection of cakes and, of course, birthday cake that was shared out.

There was garden snakes and ladders, bounce and buzz wire games for all to play. Bubbles, card games, colouring pictures, sudoku and word searches as well as D.I.Y face painting which showed how talented parents were following designs from a face painting

book and trying them out on their children. There was also a special 'Find The Sunflower' hunt which included many of our High Street shops taking part, throughout the day. Feedback was positive from parents and children saying it was fun to do and discovering the shops we have on our High Street. One highlight that was constantly mentioned was Stadon Pet Supplies where Gail made 'Find The Sunflower' fun to do. The shops and businesses are looking forward to taking part in the next picture character hunt which will be part of the Autumn Community Fayre being held on Saturday 15th October at Shirehampton's Public Hall in Station Road. And you may be wondering what the prize was for completed 'Find The Sunflower' sheets? Everyone was a winner, and each child was given a mixed bag of sweets to take away with them.

Shirehampton Markets survived the Coronavirus and will adapt and survive the cost-of-living crisis too. It is very much community orientated and for the 4 village communities and beyond providing goods and services not available on our High Street.

The next High Street Markets take place at the Tithe Barn in the High Street the first Thursday of every month - 6th October, 3rd November and their Christmas Market on 1st December - whilst the Autumn Community Fayre takes place at Shirehmpton's Public Hall on Saturday 15th October. All events are open from 10am until 3pm.

SHIREHAMPTON PUBLIC **HALL NEWSLETTER**

The Public Hall recently received £50 in Coop vouchers after a resident of Shirehampton won a competition and nominated us to receive the vouchers as part of his prize! Thank you so much to the gentleman who so kindly nominated us. We really, truly appreciate it!

At the User Group meeting on Friday 27th May a suggestion was made that a small article be written about regular groups that meet at the Hall. It was hoped that by introducing Shire Paper readers to what we have to offer they would feel part of the Hall community, and maybe even take part in a few activities (if they don't already!).

Future Events at the Hall:

- Halloween Disco for 11 years and under 22nd October 5-7pm, - details will be announced on Social Media and our website over the next couple of weeks.
- Hall Children's Christmas Celebration 17th **December** (time to be announced)
- Gardening Volunteers Group meets in the Hall garden from 10am on the first Saturday of the month, and more volunteers are always

welcome! Everyone is welcome and bring your own tools if you can! Contact the Hall for more information if necessary.

Did you know the Public Hall also has a photocopier in the office which is available for public/user group use? Community rates are 1p per black and white copy, 4p per colour copy - bargain, eh?!

The Public Hall is very keen to hear from anyone with drive, determination and a flair for listed buildings to join their team of Trustees. For details on how to support the Hall as a volunteer or Trustee, or to book a meeting or party/celebration space, or any other questions, please contact the Hall Manager on 0117 9829963 or email bookings@shirepubhall.org.uk. Also, please visit our new website at www.shirepubhall. org.uk.

SPOTLIGHT ON GROUPS AT THE PUBLIC HALL:

Twyford House Art Club

This month we are showcasing the Twyford Art Club. Geoff Hammond, long-standing member of this wonderful group, says:

Twyford House Art Club - started life at Twyford House, High Street, Shirehampton in the 1970s. It became so popular it soon became oversubscribed. Regular exhibition of members work began in 1974 but due to limited space at Twyford House these were held at Shirehampton Public Hall, Station Road. Due to the impending closure of Twyford House in 1998 a new home was needed and the club moved to Shirehampton Public Hall where we still meet today.

We are a small friendly group of around 24+ and meet from 10am-12noon on Monday mornings, from September to the end of July in Shirehampton Public Hall. There is no formal instruction given but those of us with a little more experience are happy to give help where needed. We are open to new members of all abilities so why not give it a try. For more information just drop in one Monday morning.

THE DEPARES

Climate News for October 2022

It was hard enough to get back into the swing of things after this long hot summer and the terrifying climate news from around the world. And then, so suddenly and unexpectedly, the Queen died and we all found ourselves plunged into sorrow and uncertainty as we tried to accustom ourselves to God Save the King!

But Action is the antidote to Despair and we know our new King cares very deeply about the environment and the fate of the planet. So SCEG went ahead and opened its autumn activities with the Interactive Workshop it had planned to help us develop a Community Climate Action plan. We recognize that as a community we need to adapt to

climate change by becoming more resilient and selfsufficient. We need to introduce changes in our daily lives that not only reduce carbon emissions but also protect bio-diversity, lower fuel costs, improve our food security, help us to adapt to extreme weather...

The list is long, but there are many ideas for work that will benefit the whole community. Our greatest challenge may be in how we can **ENGAGE** with everyone in Shirehampton. We'll need more volunteers at every level to help plan our strategy and implement our plans.

We'd very much like to hear your ideas and views.

Shirehampton Climate Emergency Group will be meeting on the second and fourth Tuesdays of the month in the Cotswold Community Centre at 7:30. Or write to us care of: renee.slater@blueyonder.co.uk

The Queen's Green Canopy Extended

Memorial Tree Planting For Her Majesty

Following the death of Her Majesty The Queen, and the wishes of our Patron, His Majesty The King, The Queen's Green Canopy (QGC) initiative will be extended to the end of March 2023 to give people the opportunity to plant trees in memoriam to honour Her Majesty.

As a nationwide initiative created to mark the **Platinum Jubilee, The Queen's Green Canopy** was due to conclude in **December** - the end of the Jubilee year. However, as the official tree planting season in the **United Kingdom** is from **October to March**, the initiative will now be extended to include this full tree planting season, beginning in **October 2022 and concluding in March 2023**.

The Queen's Green Canopy is proud to be creating a living legacy with over a million trees planted in Her Majesty's name across the nation during the first planting season, **October 2021 to March 2022**. The extension of the QGC initiative will build on this legacy and serve as a lasting tribute to Her Majesty's extraordinary service to her country and her people.

The interactive map created by The Queen's Green Canopy to showcase the planting projects across the United Kingdom will also continue to the end of March 2023, giving people an opportunity to be part of this special legacy.

Alongside the inspiring floral tributes being left outside Royal Palaces, people can also gift a tree in memoriam in honour of Her Majesty, with trees

to be planted in schools and deprived urban areas across the United Kingdom.

For more information on how to get involved please visit www.queensgreencanopy.org

Tynings Field Nature Nextes

Summer draws to a close in our orchard. 11 years after the first trees were planted and the land was saved from development, welcome to Apple Tree Avenue. An abundant wildlife haven of apples, pear, plums, berries, medlar, damsons and cherry. Indian Summer or late summer weather we love as it gives them extra ripening time. Bramley, Gala, Fiesta and Cox are the modern mainstay tree varieties here along with Victoria plums, blue Damsons and a Dabinett cider apple tree from a Somerset orchard.

We have introduced new baby trees, Ashton bitter, Underwood, James Grieve and a few older varieties but it will be another 5 to 10 years before they fruit, this is the next generation orchard in progress. We are now custodians of over 30 fruit trees and the Hazel nut is also producing. The orchard was strimmed, scythed and cut back ready for more seeds, bulbs and trees to be planted as the orchard grows into its 12th year. We welcome donations of spare bulbs and flower seeds.

Climate change is teaching us that the weather is going to be more extreme in the future and how we grow crops, what crops to grow, and where. Nature is the best teacher.. it either works out OK... or it dies, that's the lesson.

As the planet moves into global warming, the heat from the ground this summer was a parched dry heat, quite different from the usual British Summer. Fruit trees shed leaves and the fruit is smaller. We have grown a mysteriously planted peach tree which went in many years ago, it needs a hot sheltered spot, this year it had fruit and so we are considering grape vines next year.

Apple mead and honey cider or cyser is in the fermentation stage, but we don't sell alcohol so this is for members friends and family. The Dabinett apple is now the basis of Tynings apple honey cider.

We take recycled screw top glass bottles with tops so if anyone wants to donate some.

Grass cutting is ongoing now if anyone could give us a hand they are welcome in return for fruit.

Those few people who turned up in the rain in 2011, and regularly worked on Sunday afternoons helping to plant trees, look at what you created here.

Six more trees were added by **Caroline** in 2015. Carl planted a cherry in 2020. This year in the tree nursery we added more trees from Every Child One Fruit Tree. An orchard is not a case of just planting 6 trees... a true orchard is a living, working, growing and developing entity.

It's now 12 years since the first Wassail and another Wassail is planned for January.

Let Our Family Care For Your Family

Apologies for the absence of Nature notes last month. Returning from holiday and rather a lot going on I just couldn't find enough time to beat the deadline! In my defence, there was quite a lull at the end of July and into the start of August, as Autumn started to make its gentle mark.

However, things have bucked up a bit I think, as I have watched geese flying over just yesterday, and also caught sight of swallows doing what they do best when feeding on the air!

The drought conditions have caused problems for a lot of our beautiful trees. The huge horse chestnut (conker) tree near our place has been breaking down it's leaves for a while, revealing the fact that the conkers are far from maturing. I hope the knock on effect will be short lived and that next year will be better.

The blackberries and other berries have done very well and because of the spell of wet weather recently, are still bearing fruit for birds to feed up on! My garden and potted flowers are also giving us new blooms after the much needed rain recently.

The photo this month is of two caterpillars I spotted yesterday having a good old time decimating the foliage on one of my rose bushes. I googled 'caterpillars' and discovered they were well known assassins of said roses, called wasp sawflies. Killers they may be, but I thought they took a very nice picture, and the flowers were ignored by them, so all I took of them was a picture!!!

Happy nature watching all.

Bobbie.

Shire Locals Meet the Queen

The Queen Opens 'Subscribed Trunk Dialling'

I met H.M. the Queen in 1958 when she came to Bristol to open the STD (Subscribed Trunk Dialling) system.

She had made a request to meet Bristol's Youth
Organisations and as a Youth Officer with the Bristol Red Cross Society, I was chosen to represent our organisation.

I remember the oh so long wait for her to arrive. We were in a long line of personnel and were getting quite fidgety, then the cry went up 'she's here!' As she moved along the line, I remembered what I had been taught - a small 'bob' when introduced. She then asked me how many Red Cross cadets we had in Bristol. Well I hadn't a clue. I made up some number and she said 'well done' and moved on. I found out later that the number I had given was far in excess of the truth. So I have always maintained my claim to fame was that I told a lie to Her Majesty!

The Queen's Silver Jubilee in 1977

As a child I always expected Queen Elizabeth II to be there forever but as life moves on you understand that is not possible. With the Queen's Silver Jubilee in 1977 I learned that she would be visiting Bristol that year and I remember I so wanted to see her.

It was my Aunty Jo that made this possible. I remember it was a sunny day and Aunty Jo and I travelled into Bristol early on the day of her visit. It was busy, packed with people including many children. I remember my Aunty putting me on a flower border wall in the centre of Bristol, so I had a view of the Queen. There was plenty of flag waving and cheers when Queen Elizabeth arrived, and I just remained focused on her. She wasn't as tall as I was expecting (that's TV for you!), slim and stunning. She greeted everyone with her trademark beaming smile and she stopped to speak with people in the crowd. I was transfixed and amazed that I had seen our Queen in person. It remains one of my best memories. I also recall Prince Edward was with her too dressed in a suit following behind his mother.

Like everyone else the death of our beloved Queen Elizabeth has caught me unawares. She was a great ambassador for our country and will be sorely missed. The legacy she has left behind will remain unmatched.

The Queen Inaugurates the Council House

The photo below was taken in 1956 when Queen Elizabeth and the Duke of Edinburgh came to Bristol to inaugurate the Council House.

My husband Royston Bubb was part of the Mace escort from the Police. He is third from the right at the back behind the Duke of Edinburgh. The royal party then went on to Chew Valley to open the new reservoir.

Roy grew up in Springfield Avenue and is well known in sports locally.

Local Scout Met the Queen

Philip Barnett (deceased) who met Queen Elizabeth- I think it was the late seventies. Philip was very active within the scouts despite the fact he had Muscular Dystrophy and sadly died at the age of 21.

Philip was son to Norman and Kath Barnett (also both deceased) who lived in Evenlode Gardens, Myrtle Hall Estate, Shirehampton. Kath often spoke about how special that day was.

Not sure where the photo was taken - $\,$ maybe readers can help ?

Diamond Wedding Congratulations!

David and Pauline Godwin (nee Packer) celebrated their diamond wedding anniversary on 1 September and were delighted to receive a congratulatory card from H.M. The Queen.

Pauline and David were married in **St Mary's**, **Shire'** on a gloriously sunny day in **1962**. **Geof Griffith** (who remembers him with his cassock flying behind him as he raced along on his drop handlebar bike?) was the celebrant, **Chris Eynon** (still an active church member and contributor to Shire) was Best Man and I was a bridesmaid. Their first home was number 1, Bradley Ave where their three children were born and later they moved to

the Portway where they still live. The priority of their marriage has been the raising of their three children who have all done very well and now they enjoy the development of their seven grandchildren.

They celebrated their very special day at **Tortworth Court** with their daughters **Susan and Alexandra** and some of their grandchildren.

Well done Pauline and David for a loving and successful married life and the legacy you will leave the world in your children's success.

St Mary's News

Hi Folks!

Here we are well into Autumn and our long dry Summer is now well in the past. The evenings are noticeably becoming darker that much earlier and, believe it or not, the Clocks go back at 2.00 am on Sunday 30th October. Just where has our Spring & Summer gone? Soon we will be thinking about preparing for Christmas!

Well, it is pleasing to report that Revd Alison and Derek are now well settled into the parish and gradually beginning to identify individuals. Me - I'm in hiding after the motorcycle jokes. Not true really, as I understand Revd Alison found the Yamahaha joke very amusing.

Revd Alison was licensed and took her oaths on Friday 9th September and many of us were able to join the service via zoom. Her official Welcome & Installation Service with Bishop Viv, Bishop of Bristol, will be at St Mary's Church at 7.30 pm on Thursday 20th October. I know that we are all looking forward very much to this celebration and all are welcome.

Our regular events are on the following dates Goldies Singing Session is at 10.30am on Wednesday 5th October and Messy Church on Tuesday 18th at 3.30pm. Again, if you require refreshments, please let someone at the Church know by the preceding Friday, to ensure there is no surplus food which may be wasted.

It is proposed to hold our annual Harvest Festival on Sunday 16th October at 10.30am. All Harvest gifts should be non-perishable and will be donated to the Bristol North West Food Bank at Avonmouth. May I thank you, in anticipation, for your generosity in these very difficult times where many families are enduring additional hardships. Should the date change, we will place notices on our boards.

As part of the Avonside Mission Area, we are fortunate to be invited to some events and services that take place in our neighbouring churches. One such service is "Harp & Bowl" a series of Worship & Prayer evenings run jointly by St Edyth's and St **Andrew's**. They describe the series as follows: "Do you ever feel you'd love some more time and space to continue cherishing God's presence, bringing our worship (harp) and prayer (bowl) to the Lord in an informal, intimate setting? Well, you now can! We will gather in the round with some song booklets, with a guitar, with our Bibles, and with expectant hearts....."

These sessions will be at **5-6pm** on:

- 2nd October at St Edyth's, Sea Mills.
- 6th November at St Andrew's, Avonmouth
- 4th December at St Edyth's, Sea Mills.

I expect many of you have noticed the new wooden planters, which hold our Bay Trees, situated directly outside the West Door of the church. These have been made by one of our Vergers, Colin Godfrey. Colin is very clever with his hands and there isn't much that he can't make or repair. We thank him very much for his skill. Not only that, he is very often accompanied by Richard Powell, one of our Churchwardens, in performing amazing feats to keep our church building and Tithe Barn in good repair. Recently, they both replaced a number of missing tiles from the church roof - how they both got up there I dare not ask! Thank you both, St Mary's is deeply indebted to you!

Now for this month's piece of stupidity! "Did you know that a mate of mine called Stephen King has a son called Joe?" I'm not joking, but he is!

Bye for now. C.M.E.

We will be making musical/sound objects from recycling materials and decorate them. Why not bring a piece of rubbish along, who knows, we might, with a bit of skill get a magical tune out of it! Rainsticks, shakers, stringed sound objects are all on the menu but anything goes, It will certainly be fun to experiment with sounds and rhythms and even record some of them. All welcome. The Strange An original story by Gil Osman

(Previously: a description of the brutal and savage community (the village) in which The Strange lived.)

Chapter 6

he parents of The Strange lived in the middle of the village and looked like any other villager. But they were different. They lived alone in their house, whereas most villagers lived with extended families crowded together. They kept themselves to themselves and were uncommunicative. They were mysterious and had 'magical' powers, which made the other villagers afraid of them. The man was a member of a small crop-farming collective and regarded as a good worker, but he spoke little to the other farmers. He was never a hunter, as all the other men had been in their youth before they became too old and slow for the hunt.

His wife came from a lengthy line of female herbalists, who made potions out of medicinal herbs to treat various ailments and poultices from roots which stopped infection and made injuries heal more quickly. She also made a concoction from treebark, which functioned as an analgesic and relieved pain. These were all natural remedies, but to the other villagers, anything they did not understand was considered 'magic'.

To the villagers, the question was where did these magical powers come from? They were either a blessing from the gods, or came from the evil spirits which dwelt in the woods. Most villagers, being pessimists, chose the latter belief, which was why they were afraid of the parents of The Strange. However, this fear did not prevent them from

seeking help from the couple when in dire need, but this was done in secret, at night, when it was less likely that they would be seen entering the couple's house, where they would barter for the medicines. Everybody knew that this happened, but nobody admitted it.

The couple longed for a child of their own, but the woman was barren and no amount of knowledge, or medicine could cure the condition. Other barren women in the community were welcomed as they helped to look after other 'family members' children, giving the mothers some respite. So, it was with extreme surprise that the noises of babies were one day heard coming from the herbalist's house. How could this be?

Some villagers argued that the couple must have used magic to achieve this result - and black magic at that, from the evil spirits in the woods. A group of men (Mainly armed hunters) forced their way into the house demanding to see the children. When they did, they recoiled in horror at the grotesque little monsters presented to them. Some wanted to kill the babies there and then, but the parents, being very aware of the fear in which they were held by the villagers, threatened to bring a dreadful curse down on the whole village if their twins were harmed. After some discussion amongst the villagers a solution was found: the couple and their twins (The Strange) would be banished to the outskirts of the village. News spread and a group of villagers quickly erected a house at the edge of the woods, some distance from the main village, while the parents and offspring were guarded in their present house. The family was then escorted to their new abode and their old house demolished.

The parents of The Strange lived there in isolation with their children The Strange. Sadly, both parents died of an illness contracted during an epidemic, when The Strange were in their teens. So, they did not live to see their beautiful grandchildren.

If you are looking to join a fun, friendly group of social walks, our group is for you. The walks are aimed at people aged 55+ and are suitable for anyone able to walk for an hour+without stopping. We meet every Wednesday morning in Shirehampton at various times and starting points depending on Buses or Trains.

The walks are varied with some local and further afield. We like to stop at a cafe and toilets after walks when possible. Please bring money for refreshments and travel costs. We will try to set and maintain a pace which they feel is appropriate for the group and route. IF YOU FIND IT IS TOO FAST please SLOW DOWN to a pace that is comfortable for you. You should be able to walk and talk, but feel a bit warm with slightly elevated breathing. Please DO NOT walk in front of the Walk Leader

- Dress appropriately for the weather and wear suitable supportive footwear
- Start each walk slowly, building up speed.
- Slow down towards the end of each walk
- Walk to increase breathing but not to exhaust
- Drink plenty of water. Bring a bottle of water & any snacks you may need
- Do not walk if you feel unwell.

Remember any necessary medication e.g. inhaler

All walkers walk at their own risk and are responsible for their own safety. Our routes are mostly designed to allow break-out points where anyone not wishing to complete the walk can leave at, or near, a bus stop (after advising a Walk Leader). On some walks it is not possible to safely leave the walk and this is shown with the words NO EXIT as a warning.

A walk leader may refuse to allow you to walk if we consider you to be at risk!

City and Port of Bristol Bowling Club

After 25 years of membership and great service to the Bowling Club Lis Davies has retired. During that 25 years she held a number of important offices - Chairman, Fixtures Secretary, Competition Secretary, representative to the Main Club, Captain and coach. She coached a number of adults and some children. She will be remembered most of all by some bowlers, not all from the City and Port of Bristol Club, for her wonderful organisation of club summer tours, and the words "hello bowlers" which she used at appropriate times throughout each tour. She did 14 tours ending with the one in 2019 which was based in Sidmouth.

Bowlers from other clubs who came on tours organised by **Lis** often said that they were the best tours they had ever been on. For many years Lis was an accomplished bowler, winning trophies, playing in competitions away from the club and on several

occasions playing for **Gloucestershire**. So – it was appropriate that Lis was thanked and honoured in a special way, and she was, on **August 31st** at the club's annual **Two Wood Pairs Competition**. At tea time, after lots of tea and even more cake and

with lots of bowling friends past and present looking on, Lis was presented with a number of things including a Fox, not a real one, for her garden. Lis says it will take pride of place in what will soon be her new garden, the old one is about to have a big makeover. Flowers, chocolates and a collection taken from bowlers past and present at the club followed, along with two cards containing personal messages from those present and also those unable to be at the green on the big day.

Lis responded with a thank you and a story about how she made the move from Canford to City and Port all those years ago. It was a little story about how she was seen as too successful bowling in **Canford Park** and a suggestion was made that she should find another club next season. The City and Port of Bristol Club is certainly pleased that the club she chose was, and is, ours.

The Two Wood Pairs competition is one of two competitions at the club that

Lis Davies who has retired from the Bowling Club after 25 years.

is played in one afternoon rather than round by round. Originally planned for Sunday August 14th but postponed due to extreme heat until Wednesday August 31st it turned out to be a great success with a very close finish between the winners and runners up. Pairs are drawn on the day and play against each other, eight ends per game and four games in all. At the end of the final game two teams had the maximum eight points but it was Brian Crawley and Alan Coulstring who won the trophy, scoring just one more shot than Dave Chilcott and Phil Cormack. What a finish, well played everybody.

This seasons **Monday night league** ended with **A.N.Other** doing the league and cup double and **Nomads** being runners up in both.

The **Bowling Club AGM** will take place on **Tuesday October 25th** in the main club ballroom at **8.15pm**.

Bank Holiday Fun at the Community Centre

Bank Holiday Monday was a lovely sunny day and about 60 people gathered at the Cotswold Community Centre to enjoy it. A range of people provided various activities from potato printing and shaving foam painting to face painting, games, drama and tea and scones.

Zhyian skilfully painted almost all of the children's faces – it took the whole afternoon! There was also a variety of games to play in the garden from parachute games to football, team games and circle games. Indoors **Sue and Nicky** helped the young folk to paint using shaving foam and **Daphne** organised potato printing.

A key feature of many gatherings is food and drink. We are very grateful to **Bridget and Sheila** for organising hot dogs, hot and cold drinks and a range of cakes and scones.

Later in the afternoon Paul and his team practised

some drama with the young people and performed it at the end of the time.

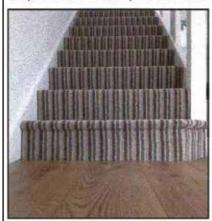

The event was run by the Cotswold Christian Community – Christians from the various churches in the area – who also host a Songs of Praise Café at the Cotswold Community Centre every 2nd Sunday of the month from 4.45-5.30pm. All are welcome to join us for this and suggestions for favourite hymns can be made to Lyn on 0117 982 6455.
